### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The claims are free of the prior art of record, for the reasons stated at page 3 of the Office action of January 10, 2004. Further, the newly enclosed references are merely cited to provide a further background of the prior art, but are not anticipatory, nor do they render obvious the instant claims. The newly cited references do not provide oligosaccharides (such as inulin, or fructo-oligosaccharides, FOS) which are non-digestible by humans, in amounts that would approach the amounts recited in the instant claims, in other words, 40% - 80% of the composition.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Keith Hendricks whose telephone number is (571) 272-1401. The examiner can normally be reached on M-F (8:30am-6pm); First Friday off.
